THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Campton in the County of Grafton in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town House in said Campton on Tuesday, the tenth day of March, next at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

3. To see how much money the Town will vote to raise and appropriate for the maintenance of its highways and bridges.

4. To see if the Town will vote to authorize the Selectmen to hire money in anticipation of taxes.

5. To see if the Town will vote to raise and appropriate the sum of \$100.00 for Memorial Day.

6. To see how much money the Town will vote to raise and appropriate for the White Mountain Region Association.

7. To see if the Town will vote to raise and appropriate the sum of \$125.00 for White Pine Blister Rust Control.

8. To see if the Town will vote to raise and appropriate the sum of \$1,000.00 for the maintenance of Blair Cemetery and other cemeteries in Town.

9. To see if the Town will vote to raise and appropriate the sum of \$1,025.00 to reimburse the Campton Village Precinct for hydrant rental.

10. To see if the Town will vote to raise and appropriate the sum of \$750.00 for the support of the Sceva Speare Memorial Hospital.

11. To see if the Town will vote to raise and appropriate the sum of \$750.00 for the support of the Campton Volunteer Fire Department.

12. To see if the Town will vote to raise and appropriate the sum of \$1,000.00 to be set aside towards the tradein of the road grader.

13. To see if the Town will vote to raise and appropriate the sum of \$200.00 to purchase a short wave radio to be used by the Chief of Police.

14. To choose a delegate to the Constitutional Convention.

15. To vote on the question "Shall Sweepstake tickets be sold in this City or town?"

16. Shall the Town of Campton continue to maintain its municipal Court so long as its present judge remains in office. (to be voted by ballot)

17. To see if the Town will vote to discontinue as a public highway a portion of the Perch Pond road, between Perch Pond and the residence of Roy Brown, in exchange for a deed from the Chestnut Hill Farm Association for a fifty foot right of way for use as a public highway as laid out by the Highway Department of the State of New Hampshire to take the place of the discontinued section of said road.

18. To see what action the Town will take with respect to adopting a resolution concerning the Livermore Falls Project as proposed by the United States Army Corps of Engineers and to see what sum, if any, the Town will vote to raise and appropriate in connection with such resolution.

19. To see if the Town will vote to accept the reports of agents and officers heretofore chosen.

20. To transact any other business that may legally come before said meeting.

Given under our hands and seal, this sixth day of February, in the year of our Lord nineteen hundred and sixty-four.

BERTRAM W. PULSIFER

MAX G. HALEY

SHIRLEY E. TRACY

Selectmen of Campton

A true copy of Warrant — Attest:

BERTRAM W. PULSIFER

MAX G. HALEY

SHIRLEY E. TRACY

Selectmen of Campton

Due to Primary elections, Town Meeting will open at 10 A. M. to act on all the articles in the Warrant. Polls will not close before 6 P. M.

JOHN L. DOLE, Director

REPORT OF PUBLIC HEALTH NURSE

47 Main Street
Plymouth, N. H.

Mr. George Burhoe, Health Officer
Campton, N. H.
Dear Sir:

The following is a report of the activities carried out in the town of Campton, by the Division Public Health Nursing of New Hampshire Public Health for the year 1963. Please have printed in your town report.

Sabin Clinics for Oral Poliomyelitis vaccine were conducted in Campton and Beebe River on October 10th and November 15th, 1963. Total number receiving vaccine—Type 3—132, Type 2—127. The series will be completed in 1964.

These clinics were conducted with the cooperation of Plymouth Medical Staff; Mrs. Helen Fisher, R. N., School Nurse; the Beebe River Plant and the Campton Woman's Club. Assisting with the clinics were Mrs. Margaret Thompson, R. N., Mrs. Roberta King, R. N., and Miss Nena Ouellet, R. N. Supplies were furnished for clinic by Campton Woman's Club and Draper Corporation.

Several from Campton attended the Chest Xray clinics held twice a year at Plymouth by the New Hampshire Tuberculosis and Health Association and the New Hampshire Division of Public Health. Follow-up reports are sent to all attending.

Home visits have been made in the town as indicated.

My sincerest thanks to all who have assisted in the Health Program during the year.

Respectfully submitted,

LOIS REED, R. N.
Public Health Nurse,
N. H. Division Public Health

REPORT OF THE FOREST FIRE WARDEN AND YOUR DISTRICT CHIEF

During the past year New Hampshire faced the greatest forest fire threat to its woodlands in more than sixty years. The continued drought brought home to our citizens, as never before, the potential threat of destructive fires to their beautiful and valuable forests, homes and livelihood. In true American tradition of meeting a common threat by volunteer effort, this fire danger was minimized by active prevention, patrol and a relinquishing of personal rights for the common good. It was the greatest demonstration of public cooperation ever experienced by those responsible for local and state fire control. The ready forces of volunteer fire services kept the losses low. For their effort and public response the general fire service expresses its heartfelt thanks for a job well done.

Prevention, however, is not just an activity for the bad fire years. It must be practiced until it becomes a part of our public conscience — a habit. Just plain carelessness with fire causes too many of our fires.

The following practices and suggestions will help:

1. Always have a permit for outdoor burning and burn within the terms of the permit and in a safe place. Burn late in the afternoon when the wind is down or on a rainy or damp days. Check your fire and if winds develop extinguish it promptly.
2. Carry your rubbish to the public dump — it's safer. A neglected backyard incinerator causes many fires.
3. Never discard lighted cigarette or match. Make this a year round habit regardless of the safety of your surroundings.

4. Children caused fires are now a major concern.
Keep matches away from them and teach them
to respect fire and not make it a subject of play.

Let's all join with "Smokey the Bear" and "Keep
New Hampshire Green" and growing in 1964.

Number of fires and burned area in 1963

School District

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the town of Campton qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the fifth day of March 1964, at 8:00 o'clock in the afternoon, to act up on the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years, and ensuing two years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

9. To see if the School District will vote to adopt a plan for extending to employees of the School District the benefits of title II of the Federal Social Security Act (Old Age, Survivors and Disability Insurance) as authorized by Chapter 101 of the Revised Statutes Annotated amended by Chapter 302 and 332 of the Laws of 1955 and to raise and appropriate the sum of \$68.51 to defray the District's share of the cost thereof.

10. To see if the District wishes to exclude from the plan services in any class or classes of positions filled by popular election.

11. To see if the District wishes to exclude from the plan services in any class or classes of positions the compensation for which is on a fee basis.

12. If a plan for Social Security coverage is adopted, to see if the District will authorize the Campton School Board to execute on behalf of the District the necessary agreement with the State of New Hampshire to carry into effect the plan and to see if the District will designate the School District Treasurer as the officer to be responsible for the administration of the plan.

13. To see if the District will vote to authorize the School Board to make application for and to accept, on behalf of the District, any or all grants or offers for educational purposes which may now or hereafter be forthcoming, from the State of New Hampshire and/or United States.

14. To see if the District will create a cooperative school district planning committee and to elect three members thereof or determine that they shall be appointed by the Moderator. One member of this committee to be a school board member.

15. To transact any further business that may legally come before this meeting.

Given under our hands at said Campton this 14th day of February 1964.

REPORT OF SCHOOL NURSE

January 1, 1963—December 30, 1963

Thirty-eight visits were made to the school. Classrooms were visited and frequent inspections made on pupils.

First aid supplies were bought and taken to school. First aid treatment was given and advice to parents on sickness and injuries.

Vision and hearing tests on each pupil were made and notices sent to parents of those who did not pass the tests.

Weighing and measuring and health records were kept on each pupil.

Appointments were made for Crippled Children's Services, Sight Conservation and Clinics.

Sabin Oral Polio Vaccine was administered to 132 for Type III and 127 for Type II.

Pre-school registration was held in May with parent interviews.

Twenty home visits were made.

Attended two X-Ray chest Clinics in Plymouth.

Attended Speech and Hearing Workshop at Crotched Mountain May 9th.

Held conferences with Doctors, Welfare and Social workers.

On October 25th, your school nurse attended the School Nurses Section of Teachers' Convention in Manchester.

Respectfully submitted,

HELEN H. FISHER, R. N.

SUPERINTENDENT'S ANNUAL REPORT

Hereby submitted is my annual report as your Superintendent of Schools.

We are now well along into our second year at the new Campton School and I am very pleased with the education and continued cooperation of everyone involved. It is most interesting to observe the changes which have taken place, all for the good, because the elementary school children in town are together.

We were fortunate that there were no staff changes in the school this year. Another year with the same group of teachers that were there for the opening of school is good for the community and children. By June of this year, we will have benefited by the mistakes we made in the beginning and routines have been established which make for better education and smoother operation.

I was sorry to learn in June that Mrs. Wilson had accepted a full-time position in Laconia and to date, I have been unable to locate a music supervisor desirous of working the three-day week we require for Campton and the other towns in the Union. At present, I am working with the Superintendent from Holderness and Ashland on this problem. Together we hope to create a more desirable position by employing one person full time.

For the first time, this year we are using the services of the Rhinehart handwriting system. Funds for this purpose were voted at your last district meeting. I approve of these classes because they give purpose and direction to handwriting.

The textbook problem is a bothersome item with all districts. The wear-out period of textbooks (four or five years) plus textbook edition changes, and continuing improvement of content makes the whole problem a difficult one. Modern up-to-date materials are so important from an educational standpoint that it is

not always easy to make the best decision as to where allotted funds should be spent. This year we have started phasing out the older editions of our reading program and are beginning to use the newer books in the same series of the Scott Foresman reading program. In my considered judgment, this program is one of the best. During the year, Mr. Twombly has been chairman of a committee comprised of teachers from all parts of the union to evaluate and make a recommendation to me for the adoption of a new arithmetic series. The book we are using is nearly ten years old and with the emphasis on the so-called "modern mathematics", I feel it unwise to continue with the same edition. When their decision is final, I would hope that I could purchase the new books for at least half of the school next year and the following year, complete the adoption. Other textbook areas such as Language Arts, Science and Social Studies will also need attention before too long.

I wish to thank the P. T. A., the School Board and anyone else concerned, for the installation of educational television. There have been numerous problems primarily due largely to the strength of the signal, but power out-put from Channel 11 is to be nearly doubled before too long and this problem should cease to exist. At the present time, we are using a modest amount of the programing until we find out which courses have the most to offer and the ones we can benefit from the most.

From information I have received, most people are pleased with the athletic program being developed at the school. As this is written, a group of interested parents are working diligently to make a small basketball court in the all-purpose room. They deserve much credit and thanks for their efforts. Without them, basketball, which seems to be so popular, would probably have to stop. Since losing the facility at Beebe River, Plymouth has offered their gymnasium for some of the practices and there is a possibility that one of the home games will be played there.

The School hot lunch program continues to be popular and is a definite asset. It is interesting how often I receive comments from teachers to the effect that children appear to be much more alert and in a receptive mood for education after having a good hot lunch. I do not think there is any question that you have a program you can be proud of.

The problem of cooperative school still remains with us and sooner or later will have to be solved. I recommend the cooperative concept rather than area because I am quite sure in the long run they will both cost approximately the same and under the cooperative concept, you would have a voice in the administration, a part in the planning and an ownership in the plant. I would hope that in accordance with the new law, you would elect a committee of three - one of which must be a school board member - at this year's district meeting to make a study and a recommendation for your town.

Normally I would not mention this in my report but I have recently learned that after many years, Mrs. Dorothea Cheney because of pressure of home duties, is resigning from the school board. She has been a long and faithful and dependable school board member and chairman of the Supervisory Union for many years. Needless to say, we shall miss her and the fine work she has done for the district.

I wish to thank the townspeople, the School Board, the Principal and teachers of the school for their help and support during the past year.

Respectfully submitted,

M. WAYNE BOWIE

Superintendent of Schools

EXPLANATION OF SUPERINTENDENT'S SALARY

Section 5, Chapter 243, Laws of 1953 of the State of New Hampshire, requires that school district annual reports show the total amount paid to the superintendent of schools as per the following quotations: "Reports. Each superintendent of a supervisory union shall annually prepare a report showing the total salary paid to the superintendent, which report shall show in detail the amount derived from the per capita tax and the amount paid directly by each school district in the union."

One-half of the supervisory union expenses is prorated among the several school districts of the union on the basis of adjusted valuation. One-half is prorated on the basis of average daily membership in the school for the previous school year ending June 30th. The Superintendent of Supervisory Union No. 48 during 1962-63 received a salary of \$9,250.00 which was made up as follows: \$4,250.00 paid from the per capita tax and \$5,000.00 prorated among the several school districts. Allowances of \$1,200.00 for travel within the union was also prorated as stated above.

The table shows the portion of salary and travel charged to each school district.

	Salary	Travel
Campton	\$ 861.02	\$ 206.64
Plymouth	2,097.13	503.31
Rumney	687.30	164.95
Thornton	428.01	102.72
Wentworth	234.18	56.21
Woodstock	692.36	166.17
	<hr/>	<hr/>
	\$ 5,000.00	\$1,200.00

Superintendent's Salary for 1962-63 based on the above figure is reconciled as follows: \$4,250.00 paid from State per capita tax plus \$5000.00 paid by various districts, equals \$9,250.00. Superintendent's basic salary.

M. WAYNE BOWIE
Superintendent of Schools

PRINCIPAL'S REPORT

I hereby submit my second annual report as Principal of the Campton Elementary School.

The school year began September 4, 1963 and within a very few days things were moving along smoothly, and it was evident that the same staff had returned with no changes or replacements. With the new year came many plans for changes and improvement of old ones. Since at this time the people of Campton are reasonably familiar with the school situation, this report will be primarily concerned with these changes and the steps forward offering a better education for the children.

The room assignments are somewhat different this year because of the changing numbers in the grades. They are as follows:

Mrs. Avery	Grade 1	15
Mrs. Morse	Grade 2	18
Mrs. Broad	Grade 3	17
	Grade 4	14
Mrs. Dole	Grade 5	4
Mr. English	Grade 6	20
	Grade 7	9
Mr. Twombly	Grade 7	9
	Grade 8	20
Total		152

As was true last year, the room mothers are still doing an excellent job of aiding the teacher to plan and carry out room activities such as parties. This year the room mothers are:

Mrs. Avery's Room	Mrs. Donald Blake
	Mrs. Joyce Mayhew
Mrs. Morse's Room	Mrs. Rose Rosewarne
	Mrs. Edward Keeney

Mrs. Broad's Room	Mrs. Roger King
	Mrs. Marge Madison
	Mrs. Arlene Vaillancourt
Mrs. Dole's Room	Betty Osgood
Mr. English's Room	Harriet Sargeant
Mr. Twombly's Room	Jane Pierce

Plans are in process for a library which, because of limited space, will have to be a mobile type affair so that it may be taken from room to room if necessary. We plan to use an area in the activity room for a central point which would serve as a library and study room. Mrs. Morse will be in charge of organizing this library which we hope to have in operation before this school year is completed. At this time I wish to thank the Campton Woman's Club for their generous donation of \$100 to be used for the library.

The hot lunch program is still being operated very efficiently by Mrs. Sargeant assisted by Mrs. Rosewarne. The program continues to provide well balanced meals for a very low cost.

The playground is much less a problem this year than in the past. The new equipment has given the children more to do and the skating rink has been a big help this winter. However, the water problem is still with us. During the warmer months, it is quite muddy, and during the winter months it is very icy. This will continue to be a problem until some type of a drainage plan is decided upon.

Because of the minstrel show—sponsored by the P. T. A. last spring, the school is enjoying the benefits of Educational Television. The programs, which provide excellent educational values, are broadcast from channel 11, Durham, N. H. The material is introduced in the classroom before the children watch the program. After the students watch the program, they review and discuss the material.

I would also like to thank the members of the P. T. A. and interested parents for the work that is being done in the activity room. We now have screen

in the windows and we will soon have the backboards and baskets up. This will certainly be a step forward for the Physical Education program. Now it will be possible to use the activity room for basketball games and other physical education activities.

I wish to express my appreciation to the School Board, Superintendent M. Wayne Bowie, the teachers, students, parents, and citizens of Campton for their help and cooperation.

Respectfully submitted,

PAUL A. TWOMBLY

Principal

ADOPTED SCHOOL CALENDAR

1964-1965

September 9, 1964	Schools Open
October 23, 1964	Schools Closed - Teachers' Convention
November 11, 1964	Schools Closed - Veterans' Day
November 26 & 27, 1964	Thanksgiving Recess
December 23, 1964	Schools close after all-day session
January 4, 1965	Schools Reopen
February 19, 1965	Schools Close
March 1, 1965	Schools Reopen
April 23, 1965	Schools Close
May 3, 1965	Schools Reopen
May 31, 1965	Schools Closed - Memorial Day
June 23, 1965	Schools Close

This calendar allows for 184 days. Four days may be lost for storms or emergencies before any time will have to be made up. In the event that no emergency days are used, schools will close by Friday of the previous week - June 18th or at the end of 180 full days of school in accordance with the School Law.
